

Product Specification

IP68 Waterproof Junction box Series

 PATENT:201920573523.3

Product Parameters:

- Rated Voltage:450V AC/DC
- Wire Section:0.5mm²-6.0mm²
- Waterproof Lever:IP68(IPX8 : 4M : 120H)
- Operation Rating : -40°C-+105°C
- Certificate:TUV, CE, ROHS

Product Parts Introduction

| Product Parts | Material | Color |
|---------------|---|----------------------|
| Box | PA66、 UL94V-2 | Black |
| Locking nut | PA66、 UL94V-2 | Black |
| Screws | Stainless Steel | Original Color |
| Seal ring | Silicone | Green、 Black、 Yellow |
| Certificate |   RoHS | |

Multiple Connection Mode

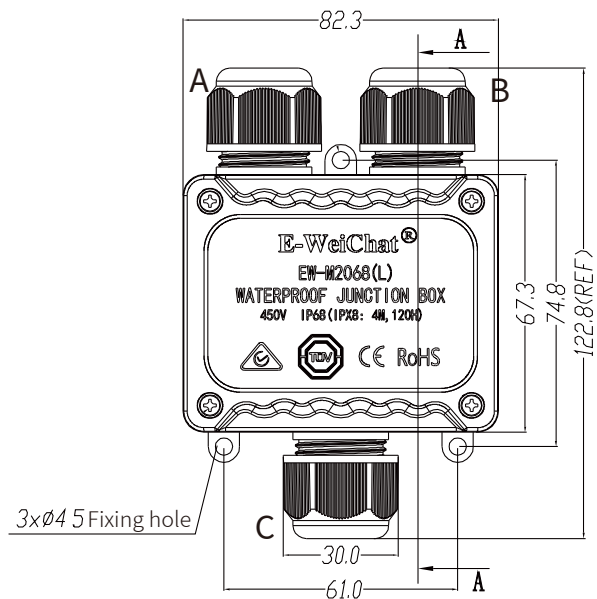

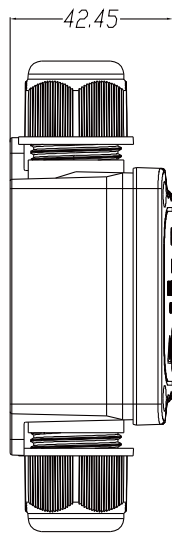

Product Specification

Product Model: CJCX005

Product Dimension:

| Product Model | Cable gland | Thread | Cable range (mm) | Inner size (mm) L*W*H |
|---------------|-------------|--------|-----------------------------|--------------------------|
| CJCX005 | A.B.C | M25 | φ5-9mm, φ9-12mm φ10-14mm | 71*56*29.3 |
